

FOR SALE: Used Fireside Loom & Bench

54" 8-harness Jack Loom for \$3,800 (compared to new \$7,311)

Oak wood with 10 treadles, 1200 inserted eye heddles, 3 reeds (8,10 and 12dpi), worm drive for cloth tensioning system, apron on cloth beam, friction brake, raddle. Commuter bench glides the width of the loom and has 3 handy storage compartments. Built in 1982 and fully refurbished by Fireside in 2001. Loom located in Illinois.

Buyer can order accessories & additional options such as a second warping beam directly from Fireside Fiberarts.

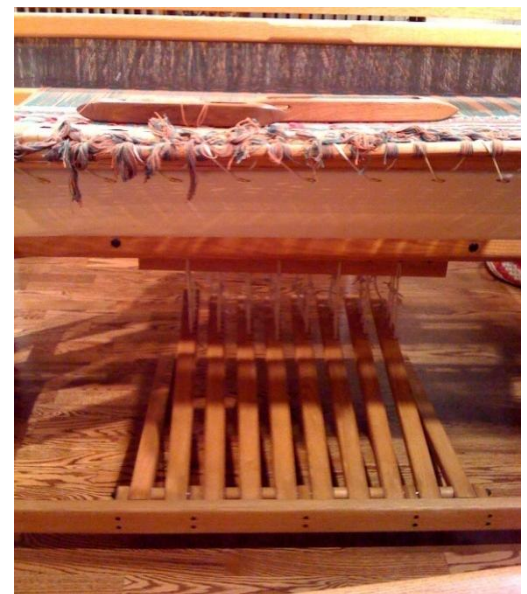

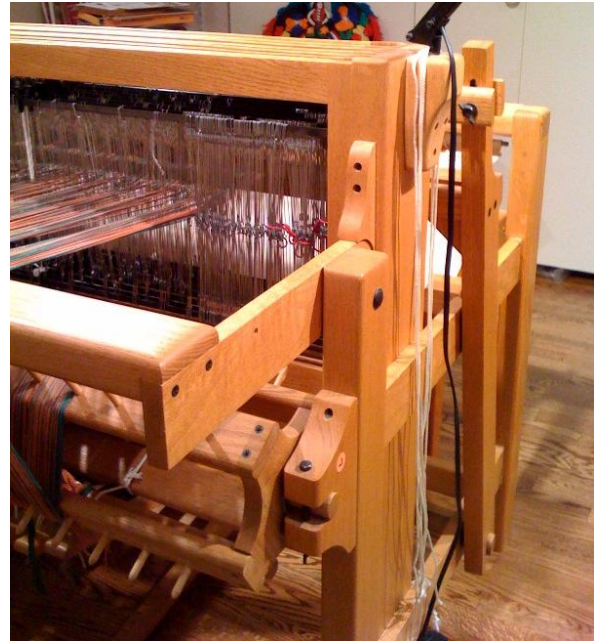

Fireside Looms (www.firesidelooms.com) are custom-made and are known for their furniture quality finish, sturdy design for both delicate fabric weaving and rug weaving, smooth treadling and large shed.
